## THE CLASSICAL DIFFERENCE

**TRUTH:** Teaching excellence in reason to encourage virtue, wisdom, and faithfulness

**GOODNESS:** Developing the child's ability to discern good versus evil in and outside the classroom

**BEAUTY:** Refining the child's ability to recognize and delight in God's design, cultivating a taste for Him

## HOLISTIC INTEGRATION OF FAITH FORMATION

The Catholic faith is at the heart of STA. Our vibrant sacramental life includes daily Mass, weekly Exposition of the Blessed Sacrament, and regular opportunities for confession.

The rich heritage of our Catholic faith is infused into every class, from science to literature. Faith is not relegated to one subject—it is interwoven into the tapestry of our school culture.

## FORMATION OF VIRTUE & CHARACTER

With modern times permeated by moral relativism, it is more critical than ever for students to develop unshakable character rooted in Jesus Christ.

STA instills timeless virtues in every student, giving them an anchor to hold on to in the midst of ever-changing times.
